

Dear Friends and Fellow Cougar Fans,

It has been an indescribable journey to work with so many of you over the past 25 years for the benefit of BYU's amazing student athletes. Thank you for the privilege, for all you've taught me, and for too many memories to mention!

My favorite parts of my job have always been working with donors like you and seeing the impact of your generosity on the lives of BYU's athletes and their dedicated coaches. I am delighted athletic fund-raising has grown from celebrating if we had a "million-dollar year" when I first started, to helping your gifts and ticket purchases total into the hundreds of millions during the last quarter century.

After considerable thought and prayer, I've decided to accept a position at the BYU Law School—serving as the Assistant Dean of External Relations. While I will miss working so closely with some of the best people I know, Laura and I will continue as Legacy Members; we and our family look forward to seeing you at the BYU games, Cougar Club events, and other athletic activities when they resume in the months ahead.

I will try to apply all that you've taught me and shared with me to help BYU's future attorneys to light and lift the world the way I know BYU's student athletes will continue to do with our help and support.

Kindest Regards and Go Cougars!
