New Organizations for Women Planned for Young Women Planned for Young

"The Big Sister" plan will be put into effect at the Young University within a very short time, is the statement of Mrs. V. delegates sent to the Third Annual Intercollegiate Conference of Associated Women Students and Deans of Women, an educational conference held at the chapter of the Mortar Board, National Honorary society for senior women. Our representatives have returned with a number of new ideas and will give a firm determination to "put them over."

New Plans to be Adopted According to the Big Sister Plan, which is in effect in practically all of the larger universities of the country, each junior and senior girl takes a certain number of freshman girls and other new students "under their wing" as "Little Sisters." These are to come to her for any help that might be needed.

Eligibility for membership to the Mortar Board is based on scholarship, good conduct, personality and participation in activities. To have a chapter of the Mortar Board is regarded as a very high honor for any school.

Adoption of the point system, whereby the number of minutes a student enters is regulated, is also being considered. This system is proven very successful in many universities. A higher standard of scholarship will also be urged.

HARRIERS GRINDING FOR TURKEY RACE.

The number of ambitious runners training for the cross country race to be held at the end of the year will be the biggest and most spirited yet.

Numerous aspirants for the "Hall of Fame" race have had their training starts daily for the purpose of winning individual honors by taking first place in their respective grades. The first step was given by Wayne Hales, the first three runners to finish their name gracing the list of the prize cup given by Dr. W. J. C.

Class enthusiasts and managers are securing suitable harrers to have ready for the "Hall of Fame" turkey race.

This is the eleventh annual run of the "Hall of Fame" race, which has been engraved on the silver loving cup. Three successive first places given to William J. Keigley, Joseph Malmgren and William J. C.

"Yay-yah-yah, Yay-yah-yah," is the cry, "em' up," is the exhortation of the coaches who gathered Monday morning following the regular devotion exercises.

The spirit seemed to be born of the prediction made by Director Roberts and Coach Powell that we were to go into the game with the Wyoming football team on the defense or off the field.

On a slippery field the B. Y. U., players did their best to outdo the Cowboys by a final 7 to 0 triumph. The only touchdown of the game was made by Manson in the last quarter, a pass over the line rained the count to zero.

The entire game was closely and hotly fought by both teams although handicapped by the mud, consistent football played the game and the players were excellent.
