#### "Aloha" Means Season opener for BYU

No. 25 BYU gets its season underway Thursday when it plays in the Paradise Classic in Honolulu, Hawai'i. The Cougars look to start off the 2006 on the right foot, much like they did in 2005 when they won their first nine games before dropping a 1-0 heart-breaker to nationally-ranked Texas.

#### Eakin's Take

"We are ready and excited to play. We've prepared well and done all that we could possibly do indoors. All of our opponents are warm-weather schools so they've been outdoors more than us, but we're ready."

#### **Cougars in the Preseason Top-25**

For the first time in its five-year history, BYU softball enters the season ranked in the Top-25. The ESPN.com/USA Softball poll ranked the Cougars No. 25. BYU eaned its first ranking in program history last year after winning the Mountain West Conference Tournament. The Cougars first game as a nationally ranked team was a 1-0 victory over then No. 2 California in the NCAA Regionals in Fresno, Calif.

#### About the 2006 Squad...

- There's no mystery as to where senior catcher Paige Paramore inherits her softball skills. Paramore's father, Glen, played minor league and collegiate baseball. Paige also has two brothers that are currently playing Division I baseball: Price plays at the Air Force Academy while Preston plays at Arizona State.
- Only four players on BYU's roster of 21 hail from the state of Utah. Seven Cougars come from California which largest number of players from one state.
- BYU head softball coach Gordon Eakin has been selected as one of 16 coaches to the Quadrennial Coaching Pool, assigned to various duties with the U.S. National Team over the next three years, all in preparation for the 2008 Olympics.

"It is a tremendous honor to be associated with the National Team," Eakin said. *"*It is an exciting opportunity to work and associate and help develop the best players in the world. It is also an honor to be around some of the best coaches in the world."

- BYU had two players named to the 2005 Easton All-American Second Team, including returner Ianeta Le`i and graduated senior Lauren Watson-Perry. Interestingly, Watson-Perry also took home Mountain West Conference Player of the Year honors in 2005 while Le`i brought home the same award in 2004 as a sophomore.
- Le`i along with fellow Hawaii imports Ashlyn Russell and Emi Snow could soon carry the appellate "Hawaiian Assasins" due to their offensive prowice. Le`i smacked 10 home runs and had a team-high 53 RBI while Russell led the Cougars with 17 homers on the year while driving in 50 runs. Snow, in limited action had a home run while posting a .333 batting average.
- BYU ranked in the Top-15 in four offensive categories last year: batting (.309), scoring (5.88 runs per game), slugging (.510) and homers (1.15 pg).
