Cougar Softball Opens its 2004 Season in Hawai'i

BYU will make its first appearance of the 2004 season at the Hawai'i Paradise Classic. The Cougars will compete against quality teams including Hawai'i (2003 WAC Champs), Oregon State (No. 23 preseason pick), Tennessee (No. 25 preseason pick), UAB and St. Mary's. Games will be played at the Rainbow Wahine Softball Stadium (2,100) at the University of Hawai'i.

Not only will the level of competition be high in Hawai'i, but also the level of distractions. It will be challenging for the Cougars along with other mainland teams to maintain focus as they are presented with many distractions, one being the three-hour time change.

"Right out of the new [BYU] indoor practice facility we're going to be tested quickly in Hawai'i," BYU head coach Gordon Eakin said. "It's going to be a real challenge for us to come out and play well in that tournament."

The Cougars are coming off a 14-1 fall ball season, where they played other Utah schools. The fall season provided a chance for BYU to play new recruits and see the progress the returning players have made since last season.

"Overall, I was pleased with the fall season," Eakin said. "It went by too fast, but it showed me the talent level and depth of our young team."

2004 Preview

The Cougars enter the 2004 season to battle for their second Mountain West Conference title in four seasons and a shot at the World Series after posting the best record (36-17) in the program's history last season.

Last season's success earned the Cougars four offensive top-10 national rankings in team batting average (7th), scoring (8th), slugging percentage (4th) and home runs per game (6th).

"I think we'll compete at a high level this year," BYU head coach Gordon Eakin said. "We have great team chemistry and we have players stepping up from all areas."

The team chemistry and depth of this year's team will help mitigate the loss of those quality players lost, some of which were impact players. After a successful fall softball season, the team looks to be stepping up to the challenge of filling the shoes of those who have gone on before them.

Pitchers

The pitching squad returns three versatile pitchers this season, each bringing a unique strength to the team. The trio has great athleticism with a potential that is still unknown.

• Junior Niki Andersen returns as the veteran of the pitching staff with experience, strength, power and confidence on the mound. Last season, she pitched 90 innings striking out 57 batters, while starting in 16 games.

• Sophomore Brooke Boyce enters her sophomore year after an excellent freshman campaign leading the team in wins (12), ERA (2.31), appearances (35) and innings pitched (106).

• Junior Ariel Capra enters this season after recovering from shoulder surgery and a redshirt year in 2003. Before her redshirt season, Capra recorded the team's best win-loss percentage (.667) and was the first Cougar to ever be named Mountain West Conference Pitcher of the Week.

Catchers

The team returns junior Easton All-American Lauren Watson and will be strengthened by the play of sophomore transfer Paige Paramore from the University of Texas at San Antonio.

• Watson is the lone All-American from last season's team. The speedy left-handed hitter was second in the MWC for batting average (.379), hits (66) and home runs (10).

• Paramore, from Allen, Texas, brings with her an intangible maturity and leadership to the team. She is a multi-skilled player who is very athletic and her experience will add a spark to the team this season.

Infield

The infield is fueled with power and strength in all positions, giving the infield possibly the best chemistry the program has ever seen.

Playing at the corners will be sophomores Ashlyn Russell and Ianeta Le`i, and junior UVSC transfer Crystal Young. Senior Kate Walker will move from shortstop to second base, and freshman Jodi Norton looks promising to start at shortstop. Senior Lindsey Gerhauser and junior Milli Jones will add much needed experience and depth to the middle infield.

• Russell, one of two power-hitters from Hawai`i, nailed six home runs for BYU last season and will continue to be a feared hitter in the lineup. She posted a .929 fielding percentage last year and is a player with excellent hands who will provide strength at the corners.

• Le`i, the other power-hitter from Hawai`i, was an all-conference player for the Cougars last year and recorded seven home runs, 40 RBI and maintained a .346 batting average. She is not only an anchor in the middle of the hitting lineup to produce RBI, but is also a player with excellent footwork on defense.

• Young will be a power-player for the BYU this season and will be seen at the corner positions. She comes out of UVSC as feared hitter and brings that presence to the team with her powerful offense and timely hits.

• After starting at the shortstop position last season, senior leader and defensive specialist Kate Walker transitions to the second base position to give the infield a different look. Walker hit three home runs, recorded 25 RBI and fielded a .925 fielding percentage last year. Her leadership abilities and positive attitude will elevate the entire infield, especially in the middle. Walker's ability to play shortstop or second base makes BYU a much better team and gives the team great flexibility.

• Norton is a player with a powerful arm and great range. The freshman out of Mesa, Ariz., is a complete athlete who will have a great opportunity to play shortstop this season. Norton has all of the tools necessary to become an excellent all-around player while at BYU.

• Gerhauser will also provide depth at the second base position. She is the type of player every team needs to make them a complete team with her willing attitude and role-playing abilities. Gerhauser is the consummate team player and will be ready to deliver this season whenever called upon.

• Jones is another player who returns with great athleticism and can play multiple positions. She can be seen in both the infield and the outfield this season as the team develops. Jones has excellent speed and game experience.

2004 BYU Softball Schedule

From the looks of the 2004 BYU schedule, the Cougars will be put to the test early and face many quality teams before hitting conference play.

"I think we have a well-rounded schedule that's going to give us a combination of potential top-25 teams as well as exposure with teams we haven't played before," BYU head coach Gordon Eakin said. "Our well-rounded schedule will provide us an opportunity to be ready for championship play when we get to that point."

- Gordon Eakin

Outfield

The outfield is deep and filled with several capable players who will all battle and compete for starting positions. Due to the high talent level, the level of competition will be raised and produce a solid interchangeable outfield.

- Senior Belinda Osborn, junior Debbie Dodds, along with freshmen Krystle Chamberlain, Kim Dabo, Carli Jones and Jennifer Whiteley all bring various strengths to the outfield, which creates a competitive atmosphere.

- In her final season, Osborn returns to contribute experience and quickness with her game-breaking speed on both the defensive and offensive ends. She creates big problems for the opposing defense.

- Dodds has evolved into an anchor in the outfield. She has worked extremely hard and continues to bring a tremendous work ethic to the team. Coach Eakin expects Dodds to continue to elevate her game.

- Chamberlain, from Camarillo, Calif., is another player who will contribute with her game-breaking speed and offensive presence at the plate. Chamberlain joins the Cougars this season after a great high school performance. She currently holds the career stolen-base record in California with 153 stolen bases.

- Dabo, from Hollister, Calif., is an athletic player who can contribute in many different roles for the team. She is a multi-skilled two-sport athlete coming off a redshirt volleyball season. Her brother Tyler was a member of the BYU baseball team in 2002 and 2003.

- Jones, a freshman from Mesa, Ariz., will serve as a utility player for BYU. Her athleticism, fiery attitude and competitive spirit will bolster the team this season.

- Whiteley, from Houston, Texas, is another complete athlete who is a fundamentally sound player. She has the potential to be incredible in all areas of the game as she makes the transition from high school to college. Coach Eakin said she has the best game instincts he's seen in a freshman for a long time and she always seems to be thinking ahead.

2002-03 Recap

The Cougars were unable to advance to the post season, but finished in the top-20 in team batting average (.305), runs scored (5.62), slugging percentage (.507), triples (.30) and home runs (60).

Gordon Eakin, in his first season as head coach, led the team to new records. The team won more games (36) and finished with the best win percentage in team history (.679). The Cougars also recorded the longest win streak (12) in school history. The team also produced two All-Americans for the first time in slugger Oli Keohohou and sophomore Lauren Watson.

After opening the season 2-2 after the annual Thunderbird Classic, the Cougars won seven of the next nine game produce a 9-4 record for the best start in school history.

BYU had a six game improvement from a 6-10 performance in MWC play in 2002 to a 10-7 record in conference play in 2003.

The Cougars continued strong throughout conference play going into the final day of the Mountain West Conference Tournament in San Diego. Unfortunately, the surging team lost to the No. 1 seed host Aztecs on a fly ball that was only feet from being a game-tying home run at centerfield.
