Notes and Storylines

- › The Cougars are on a 16-game home win streak dating back to last year. The 16-game streak is currently the longest in the nation.
- › BYU has yet to allow a goal at South Field this season. The shutout streak at home dates back to 2014 and covers the past 10 games at South Field, eclipsing the old record of nine straight shutouts in 1999. BYU is the only two teams in the country to have kept a clean sheet at home so far this year.
- › The Cougars are also on a 14-game home conference win streak and a 15-game home conference unbeaten streak. The last time BYU lost at home in WCC play was against San Diego on Oct. 29, 2011. The last time BYU didn't win a home conference game was in a 0-0 draw with Santa Clara on Oct. 5, 2012.
- › BYU will win a share of the WCC title with a win against Saint Mary's and either a San Francisco draw or loss at Portland on Saturday. San Francisco clinches at least a share of the title with a draw and clinches the outright title with a win. LMU needs a win over Pepperdine and a BYU loss or tie and a San Francisco loss for a share of the title.
- › According to CollegeSoccer360.com, BYU's senior class is the 10th winningest class of seniors in the nation with 62 wins. The Cougars are also fifth by winning percentage trailing only Florida State, Virginia, UCLA and Stanford with its .786 winning percentage.
- › BYU is one of nine teams in the nation who are undefeated at home this season.
- › BYU's three straight WCC titles are the fifth time a team has won three straight and first since Portland won four straight from 2007-2010. Santa Clara and Portland have each won three straight and four straight dating back to 1994. The third straight title is also the second time BYU has done it in program history. They won four straight from 1999 to 2002 in the Mountain West Conference.
- › The Cougars are 31-9-6 against teams from California since joining the West Coast Conference in 2011. BYU is 6-2-2 this season.
- › So far this year, BYU has hosted five of the 11 largest crowds in the NCAA to this point in the season. No other team has more than two in the top 20. BYU hosted the largest crowd in the nation in both September and October.
- › South Field has hosted two of the top 15 attended regular season matches in NCAA history this season. The record crowd of 5,620 against Utah is 11th in NCAA regular season history. The crowd of 5,589 against Colorado is 13th in NCAA regular season history.
- › If BYU maintains its average of 3,545 it would be the first team since Portland in 2010 to average 3,500 fans for a season. That would also set the BYU season per game attendance mark topping 2012's per game average of 3,257.
- › This year BYU has recorded 13 shutouts which is tied for the third most in a season for BYU. This year's team only trails 2007 and 2008 BYU with 14 and 15 shutouts, respectively. A shutout against Saint Mary's would also tie the WCC record for shutouts in conference play with seven.
- › BYU is currently first in the nation in save percentage (.924), second in shots per game (21.5), third in goals against average (0.325) and fourth in shutout percentage (.722). Goalkeeper Rachel Boaz is second in save percentage (.923) and fourth in GAA (0.332). If the season ended today, Boaz would have the best GAA in BYU history and would be fourth best in WCC history in all games.
